IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, DO NOT INSTALL, USE, COPY, TRANSMIT OR DISTRIBUTE THESE LICENSED MATERIALS.

EVALUATION LICENSE. VNIP may grant Licensee the right to use the Licensed Materials on one computer for up to ten days, after which it must either delete all VNIP files from its computer, or purchase a Site License. Any such Evaluation License is subject to all of the terms and conditions set forth in this Site License Agreement.

I. Content of Licensed Materials; Grant of License

A. The materials that are the subject of this Agreement shall consist of electronic information published or otherwise made available by VNIP (hereinafter referred to as the "Licensed Materials").

The VNIP Licensed Materials are provided "AS IS," without a warranty of any kind. Licensee and its Authorized Users acknowledge that the copyright and title to the Licensed Materials and any trademarks or service marks relating thereto remain with Licensor. Neither Licensee nor its Authorized Users shall have right, title or interest in the Licensed Materials except as expressly set forth in this Agreement.

Licensor hereby grants to Licensee non-exclusive, non-transferable right to access and use the Licensed Materials for Licensee's internal purposes and the right to provide the Licensed Materials to Authorized Users in accordance with this Agreement, which remains in effect as long as membership is maintained in VNIP's Alliance for Clinical Transition Support (ACTS). Authorized users are limited to the employees of the licensed agency.

This license does not grant the Licensee any right to any enhancement or update.

The Licensed Materials are owned and copyrighted by VNIP. This license confers no title or ownership in the Licensed Materials and should not be construed as a sale of any right in the Licensed Materials. The Licensed Materials are protected by United States copyright law and international treaty provisions. Licensee acknowledges that no title to the intellectual property in the Licensed Materials is transferred to it. Licensee further acknowledges that title and full ownership rights to the Licensed Materials will remain the exclusive property of **Vermont Nurses In Partnership, Inc** and that Licensee will not acquire any rights to the Licensed Materials except as expressly set forth in this license. Licensee also agrees that any copies of the Licensed Materials will contain the same proprietary notices that appear on and in the Licensed Materials.

Licensee agrees that the Licensed Materials will not be shipped, transferred or exported into any country or used in any manner prohibited by the United States Export Administration Act or any other export laws, restrictions or regulations.

B. Types of License

(a) **Single-Site License:** This license is for an organization with one primary physical location and a single organizational unit, such as a hospital, home health agency, or public health office. A Single-Site License provides access to the licensed materials from a Licensed Site in one such geographic location or organizational unit. An organization with a single organizational unit that has multiple campuses that are geographically contiguous is considered a single site.

(b) **Multi-site License:** This license is required for an organization with multiple locations within one city or geographic area, or for an organization with locations in more than one city, state, or country, even if administration of the license is done centrally on behalf of all locations.

C. Detection of Prohibited Uses

Licensee is responsible for taking reasonable measures to prevent prohibited uses, and to promptly notify VNIP of any infringements of copyright or prohibited use of which Licensee becomes aware.

II. Fees

Licensee shall make payment to Licensor for use of the Licensed Materials pursuant to the terms set forth in the resource request form or as per negotiated contract. *{Note: Pricing follows a model that is based on an annual membership licensing fee that ensures updated materials and ongoing cyber-communications.}*

VNIP will take into account any affiliated institutions (e.g., hospitals, research institutes, etc.) that will have access to the Licensed Materials in determining whether a single-site or multi-site license is required. If a multi-site license is required, the total licensing price will generally be determined by adding the charges calculated for each individual site.

III. Authorized Use of Licensed Materials

Authorized Uses. Licensee and Authorized Users may make all use of the Licensed Materials as is consistent with the Fair Use Provisions of United States and international law. The Licensed Materials may be used for purposes of research, education, performance development and/or evaluation or other non-commercial use as follows:
